

**ROYAL BURGH OF WIGTOWN & DISTRICT COMMUNITY COUNCIL  
CONSULTATIONS REPORT  
JUNE 2018**

**CURRENT CONSULTATIONS**

**a) Former Bank of Scotland – Wigtown & Bladnoch Community Initiative**

The Initiative is proposing a community buy out of the Bank of Scotland building in Wigtown. The upper floors will be potentially be used for affordable housing with at least part of the ground floor used for community benefit. They are conducting a survey as part of a programme of community engagement to identify best use of the building. To progress with the Community Right to Buy and secure funding support from the Scottish Land Fund they need to demonstrate that the community has been consulted. Responses can be submitted online at <https://www.surveymonkey.co.uk/r/WigtownBank> or you can get a paper copy from Machars Action.

**b) Community Conversation – Dumfries & Galloway Council. In Wigtown County Building at 7pm on Thursday, 14 June 2018**

This event will focus on Streetscene services, a range of local functions the Council delivers such as grounds maintenance, burials, street cleansing, play park provision, public conveniences and school cross patrols. They are looking for people to highlight assets which may require a higher or lower level of maintenance so that resources can be targeted on the areas that matter the most in the local community. Anyone can attend the Community Conversations and local staff from Community Assets Service will be on hand to answer any questions and take on board ideas and feedback.
