Scottish Government	Public Engagement for Wind Turbine Proposals - Good Practice Guidance	15 December	In response to the Public Petition PE1469 the Scottish Government has agreed to prepare guidance on good practice community engagement methods for wind energy development proposals. This consultation seeks responses to the questions set out within the draft guidance document. This allows stakeholders an opportunity to comment on the content of the guidance. Comments will be taken into account before the document is finalised in Spring 2015. This guidance has been produced to advise a range of potential stakeholders including local authorities, developers, community groups and members of the public.	Pending
